

## Huawei Scholarships for Excellence

Huawei Technologies India, the Indian R&D Center of Huawei (a leading global ICT solutions provider) has signed a MoU with BMS College of Engineering to provide Huawei Scholarships for Excellence to students of the Engineering College. The scholarship of INR 50,000 each will be given annually to students of second, third and fourth year Bachelor of Technology Course. The Huawei scholarships will be provided to 10 students with high academic performance who require financial assistance, to encourage academic excellence and pave way for their career growth, as well as contribute to the society.
